

A letter to a new friend

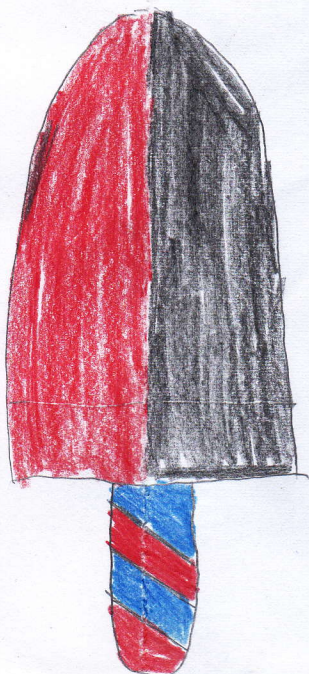

Hi, I'm Toni. I'm eleven years old. My class is 5.c in Primary School Petar Berislavić. I have a sister. Her name is Dora. She's seven years old.

I live in Trogir. That is a town on a little island. Trogir is in the South of Croatia. Trogir has got the beautiful blue sea. Summer here is dry and hot. Winter is rainy and windy.

In my free time I play football with my friend Toni. He's my best friend. I love to play computer games. Sometimes I play badminton with my mum.

This weekend I am going to play basketball with friend Jakov. On Sunday I am going to visit my cousin Karla. Her birthday is on Sunday. She is seven years old.
